THE CASE AGAINST 8

a film by BEN COTNER & RYAN WHITE

BATTLES ARE WON BECAUSE THEY'RE FOUGHT

The Case Against 8 is a behind-the-scenes look inside the historic case to overturn California's ban on same-sex marriage. The high-profile trial first makes headlines with the unlikely pairing of Ted Olson and David Boies, political foes who last faced off as opposing attorneys in *Bush v. Gore*. The film also follows the plaintiffs, two gay couples who find their families at the center of the same-sex marriage controversy. Five years in the making, this is the story of how they took the first federal marriage equality lawsuit to the U.S. Supreme Court.
